

**Become a friend of the Gainesville
Gaviatas!
Artistic Swimming Team**

www.synchrogainesville.com

The Gainesville Gaviatas, Inc., a non-profit, artistic swimming club, asks for support from family and friends. Artistic swimming requires a unique combination of overall body strength and agility, grace and beauty, split-second timing, musical interpretation, stamina, and dramatic flair. We welcome swimmers ranging in age from 4 and over and at all ability levels (recreational, masters, and competitive). Our competitive teams compete in meets throughout the state of Florida and nationally. We also offer non-competitive opportunities for girls and boys to try our artistic swimming club. We invite you to help our swimmers achieve their potential through a donation to the Gainesville Gaviatas. Our swimmers' parents bear the load of the team's expenses, and your generosity will help to offset the cost of competition and travel expenses.

The Gaviatas Mission

The Gainesville Gaviatas' mission is to make a safe, fun environment for all our athletes, while also teaching teamwork, creativity, and leadership skills that can be used later in life.

Yes! I want to be a Friend of the Gainesville Gaviatas
